

A GLOBAL FAMILY WITH A LOCAL MISSION

The Seventh-day Adventist Church is a worldwide movement, with millions of members across different cultures and backgrounds. Here at Placerville SDA Church, our focus is local:

- ▶ We serve our community through outreach events like Walk-Through Bethlehem, Food Distribution and our Health Clinics.
- ▶ We create spaces where people can ask honest questions and explore faith without pressure.
- ▶ We strive to live out our mission—making it easy for people to know God.

OUR MISSION

At Placerville SDA Church, everything we do is built around this simple goal: making it easy for people to know God. Whether it's through worship, service, teaching, or simply being there for others, we want to help people connect with God in a real, meaningful way.

CHURCH

MAKING IT EASY FOR PEOPLE TO KNOW GOD

WHO ARE SEVENTH DAY ADVENTISTS?

Welcome to Placerville Seventh-day Adventist Church! If you're here for our health clinic or simply spending time in our building, you might be wondering: Who are Seventh-day Adventists?

We're a global community of Christians who are passionate about knowing God, following Jesus, and sharing hope. Our name comes from two key beliefs: the importance of the seventh-day Sabbath and the promise of Jesus' second coming—or "advent." Our faith shapes how we live—rooted in the Bible, centered on Jesus, and focused on making it easy for people to know God.

A PERFECT START

We believe God created the world with love and purpose. His greatest creation? People—designed to reflect His love and to live in relationship with Him and one another. But love requires freedom, and God gave humanity the ability to choose. (Genesis 1:1, 31; Genesis 1:26–27)

WHAT WENT WRONG

The first humans, Adam and Eve, chose to turn away from God's guidance. This choice introduced sin into the world—bringing pain, suffering, and separation from God. Since then, humanity has struggled with brokenness, but God has never stopped reaching out to us. (Genesis 3:8–11, 17–19)

THE GOOD NEWS

Thankfully, that's not the end of the story! From the beginning, God had a plan to restore what was broken. He sent His Son, Jesus, to live among us, die in our place, and make a way for us to reconnect with God. Because of Jesus, we have the promise of forgiveness, a fresh start, and a future filled with hope. 1 Peter 1:18–20; John 3:16; Romans 3:23–24

WHY SABBATH MATTERS

We celebrate the Sabbath from Friday evening to Saturday evening with worship, time in nature, and connection with others. Jesus honored the Sabbath, not with rigid rules, but by spending time with people, healing the sick, and teaching about God's love. It's our desire to follow His example. (Genesis 2:1–3; Exodus 20:8–11; Mark 2:27)

WHY HEALTH MATTERS

Seventh-day Adventists believe that taking care of our bodies is a way of honoring God. The Bible describes our bodies as temples of God's Spirit—a gift to be cared for, not abused. (1 Corinthians 3:16–17) (1 Corinthians 10:31)

RETURN OF JESUS

Adventists believe Jesus will return, just as He promised. His second coming is the ultimate promise of hope—an assurance that pain, injustice, and suffering won't last forever. We don't know exactly when He'll return, but we trust His promise: He's coming back. (John 14:2–3; Acts 1:11; Revelation 1:7)
